5. Business Model

Commission Structure: We will take a 10 % commission from drivers for each successful ride booked.

Ad-Free Experience: To maintain a positive user experience, we will not implement ads as a revenue stream.

6. Market Opportunity

- More than 125 Millions (12.5 Crores) travels in India, which are interested in bike pool and car pool
- Carpooling market annual growth rate : ~15% (2023–2028)
- Our initial focus is the Chandigarh region with 200 km radius. That gives us a potential market of 3 to 4 lakh users. (which are between age group 20 to 45 and interest in carpool and bike pool)

Note: All statements provided are grounded based on actual data, not hypothetical assumptions.

8. Fundraising Ask

- Seeking ₹50 Lakhs for 10% equity
- OR 25 Lakhs for 5% equity
- Implied Valuation: ₹5 Crores
- Use of Funds: Marketing, user acquisition, team expansion, app scalability
